**SCIENTISTS AND ENGINEERS FOR SOCIAL AND POLITICAL ACTION
IS - NEW LEFT**

There are enclosed Xerox copies of a Department of Air Force report and literature concerning the "L. A. Scientists and Engineers For Social and Political Action (LASESPA)," which are self-explanatory.

Information concerning the background and nature of the national organization of SESPA was furnished your office by Boston report dated 12/22/71 captioned as above. Promptly submit information in form suitable for dissemination concerning SESPA in your territory. Include information concerning the identities of members and activists, aims and objectives and activities of the organization.
