Request No: 1071371-000

Subject: SCIENCE FOR THE PEOPLE

Dear Requester:

The purpose of this letter is to advise you of the status of your pending Freedom of Information/Privacy Acts (FOIPA) request at the Federal Bureau of Investigation (FBI). Currently your request is being reviewed by an analyst. The analyst will confirm that all records are responsive to your request and apply exemptions allowed under FOIPA. If your request is for sensitive national security information, then the records must undergo a systematic declassification review prior to application of FOIPA exemptions. Large requests take the longest time to be processed by an analyst.

You may inquire as to the status of your request by calling the FBI's FOIPA Public Information Center at 540-868-4593.

Sincerely yours,

A handwritten signature in black ink, appearing to read "D Hardy", is positioned above the typed name.
