Dear Ms. McCalmont,

This letter is in response to your 25 February 2007 Freedom of Information Act (FOIA) request for information and documents that was referred to us from HAF/IMII provided by the FBI. We received your request and the documents on 1 April 2008. AFOSI FOIA #2008-00199 was assigned to your request. This letter supplements our letter of acknowledgement to you dated 2 April 2008.

Portions of the information requested are exempt from disclosure to you. We have inserted notations in the attached documents to identify the portions deleted and the reasons for doing this. The notations are explained as follows:

a. "b6" indicates the withholding of information contained in personnel, medical, and similar files or information that applies to a particular individual for which we have determined there exists a privacy interest that generally and categorically outweighs any public interest in disclosure that the Freedom of Information Act would authorize. As recognized in federal statute and case law, the type of information that this generally requires to be withheld includes the names of government employees and law enforcement agents; personal data information such as Social Security Numbers, signatures, personal addresses (including email), and telephone numbers; medical and criminal history information; and most identifying information on persons forward deployed, overseas, or assigned to sensitive or routinely deployable units. The authority for this exemption may be found in United States Code, Title 5, and Section 552(b)(6) and in the federal court cases interpreting that statute.

b. "b7C" indicates the withholding of information contained in law enforcement records, the disclosure of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. As recognized in federal statutes and case law, the type of information that this generally requires to be withheld includes the names of subjects, witnesses, and "non-confidential" informants of law enforcement investigations; the personal data or identifying information of any third party that is detailed within a law enforcement investigation; and the names of law enforcement personnel unless it is determined that there is a public interest in the release of a particular law enforcement individual's name with respect to a particular law

enforcement investigation. The authority for this exemption may be found in the United States Code Title 5, Section 552(b)(7)(C) and in the federal court cases interpreting that statute.

During the course of processing your FOIA, some documents were withheld because they are subject to the control of a **non-federal government agency** that has not authorized their release. Since that agency is a non-federal government agency, you must request this information directly from that office. AFOSI/SCR Form 03 has been inserted with the name and address from where the documents originated.

Should you decide that an appeal to this decision is necessary, you must write to the Secretary of the Air Force within 60 days from the date of this letter. Reference AFOSI FOIA #2008-00199 and include in the appeal your reasons for reconsideration and attach a copy of this letter. Your letter and envelope should be clearly marked "Freedom of Information Act Appeal." Address your letter as follows:
